Important lands in the Powell River area are facing big changes. Some of your friends and neighbours have formed a nonprofit society to preserve lands in our area for the public benefit.

Our purposes include:

- **Conserving lands and waters for future generations and preserving diversity of life on earth; and**
- **Saving important areas of agricultural, scientific, historical, cultural, scenic and compatible outdoor recreational value.**

We will do these things by working with many partners, all levels of government, other agencies, businesses, community groups and individuals to identify and secure lands for our community to conserve and enjoy.

We will acquire lands or interest in lands, by purchase or by donation, and we will hold the lands in trust forever. We will administer the lands in the interests of conservation and preservation of life in the entire Powell River area, including the rural areas and Texada Island.

We are filing our application for charitable status from the Canada Revenue Agency. Meanwhile, **please join us and consider contributing to our efforts**. Members will be able to attend our First Annual General Meeting in the future to elect our Directors and vote on policy.

Annual dues are \$10 for individuals. Annual corporate sponsorships are \$100 and community group sponsorships are \$30. (Not yet tax deductible.)

Yes, I want to join the work of MLC and here are my dues/fees:
